

2011 THE TASTE OF TEXAS Food Garden:

A La Carte/The Skillet: South of the border is the specialty of the house! Beef or chicken fajitas, quesadillas, and nachos can be found here. Wash it all down with brewed gourmet teas, while you relax and enjoy the music.

Conway's: You don't have to wait for the state fair for your corndogs. They're right here along with Conway's famous funnel cakes and lemonade.

Freebirds: Be set free with the best burrito around! Filled with a variety of fresh ingredients, made to your own special mix right in front of you.

Fun-Tastic Concessions: If the smoked brisket or pulled pork sandwich doesn't fill you up, try a big turkey leg. Room for more? They also have cheesecake!

Hooters: When you think of Hooters, you think of hot wings, right? Don't forget the curly fries and fried pickles too.

Island Noodles: These Yaki-Soba noodles are stir-fried with a secret light island sauce, and a medley of 21 fresh vegetables. The outcome is a unique noodle dish that is meatless, nutless, and eggless, but not flavorless!

Mario's Cuisine: These people love to cook and it shows. Don't miss their chicken artichoke veggie, pork Tuscany style, or gyro pitas.

Ms. Piggy's: They travel places to stuff faces... Spice up your life with their red beans and rice, jambalaya, Natchitoches meat pies, spicy pickles, or jalapeño lemonade. Take your pick, they have it all!

Pizza By The Slice: Have it any way you like it at this stop. This pizza is built by you, for you, and cooked right on the spot.

Satay Hut: Who would guess something on a stick could taste so good! Find the Kabob that's right for you, chicken, beef, pork, or shrimp.

Sonny Bryan's: You know how good this bar-b-que tastes. They'll have their famous sandwiches and sausage on a stick waiting just for you.

T.C. Country Corn: You'll love your vegetables once you try the roasted corn. Try their roasted peanuts and baked potatoes too.

The Bomb Fried Pies & Guacamole: Be sure to save room for dessert! These pies are filled with 4 different flavors of goodness. Or if that's not enough try their fried guacamole. Wildflower only comes once a year, so indulge yourself.

Wayne's Original Philly Cheese Steaks: Treat yourself to a delicious steak sandwich, sub or a panzerotti. Don't know what a panzerotti is? Stop by the booth and treat your taste buds! You won't regret it.
